Ngee Ann Polytechnic
Admission for Academic Year 2023 Intake
Entrance Test Information

1) The entrance test will be jointly organised by the five polytechnics. Shortlisted candidates are required to choose **only one Polytechnic as the entrance test administrator**.

2) Shortlisted candidates will receive an email invitation from the Ngee Ann Polytechnic Entrance Test Administrator by December 2022, to sit for the entrance test held in February 2023.

3) The entrance test will be held **online** and the duration of each subject paper is **90 minutes**. Shortlisted candidates may take the online entrance test using their own laptop, at their own venue (For Example: your own home). Detailed instructions on what to prepare for this online entrance test will be provided by the Polytechnic you have chosen as the entrance test administrator.

4) All subject papers for English, Mathematics and Science will be scheduled within the same day. The same test paper for each subject will be used across all Polytechnics and will be held at the same time. Candidates will be given sufficient breaks between papers. Your test results will be shared among the Polytechnics who have invited you for the entrance test.

5) Shortlisted candidates are required to pay a fee for each subject paper. Fee payment details will be sent by email at a later date.

6) Ngee Ann Polytechnic courses are categorized into 4 **aggregate types**:

   A: Humanities & Media related courses
   B: Business related courses
   C: Science & Technology related courses
   D: Design related courses

   You may refer to this page to check the **aggregate type** of your DAE course choices to determine which entrance test papers you are required to sit for.

DAE Course Choice Aggregate Type Classification	Science Paper	English Paper	Math Paper
A		Required for all aggregate types, with certain exemptions*.	Required for all aggregate types.
B			
C	Required only for all C aggregate type courses. No Exemptions.		No Exemptions.
